RE: Marta Crane Drive – Speed Hump Petition Package

Tommy Edwards
952 Marta Crane Drive
Lawrenceville, GA. 30045

Dear Mr. Edwards,

Enclosed are the petition forms, along with several other items that will help you in your speed hump petition process. This includes the cover sheet that will have to be notarized and signed by the subscribing witness once completed, along with a list of the property owners with their physical and mailing addresses. You will also find a copy of the proposed speed hump layout to see, and also show the other property owners, where the speed humps will potentially be placed. Also enclosed is a copy of the official speed study along with our speed hump brochure.

Based on the results of the speed study, there must be approval of **90%** of the properties to be successful. So in the case of **Marta Crane Drive**, with a total of **thirty-three (33)** properties in the petition area; there must be signed approval of no fewer than **thirty (30)** properties.

Again, I will be happy to talk with you and answer any questions you may have along the way. Please just call or e-mail as needed.
